

How to access parent information

CHARMS

- Log on to www.charmsmusic.com
- Locate the “PARENT/STUDENT LOGIN” section of the web page.
- Login to your child’s program account using the following login:

dobsonhsband

-
- This will bring up the main parent page. This will allow you to look at your child’s program’s **public calendar, event list, handouts and other files**.
- Clicking on an event on the calendar brings up the details for that event, such as times, attendance requirements and equipment/uniform necessities. Clicking on “event list” puts all of the calendar information in a list form for easy printing.
- When you enter your child’s ID NUMBER, _____ another more detailed screen appears with even more options to view your student’s uniform assignments, music assignments, financial records, forms and inventory. Enter your child’s ID FIRST – then you may create your own, unique password by clicking on the “keys icon”. **It is important for you to add both a parent and student e-mail address as that will be the primary means of updating you with current events.**
- Two areas in which you can help the director maintain his/her records:
 - **Student information form** –you may help make changes to your child’s **student information page** (such as updating phone numbers and email addresses if they change) to help the teacher communicate with you more effectively.
 - **Credit card payments for fees, trips and deposits to your student’s account**. In the future, a **PayPal account** for the booster club or school activity account, will allow you to pay for your child’s fees or trips easily with a credit card. **DO NOT USE THIS FEATURE** at this time until it is operational.
- Most importantly, the parent page assists both you and the teacher to communicate with each other.
- You will also see links to **enter view Grades**, which will be operational this year!
