

The Dobson High School Band

Sponsorship Program

The Dobson Band Parent Association (DBPA) encourages you to help us support one of the nation's highly recognized music programs. For over a quarter of a century, the Dobson Bands have created a tradition of excellence that has received repeated statewide and national recognition. Our association thanks the members of the Dobson community for the positive relationship that has been established and asks those who are able and willing to make an important investment for the next generation of students.

The *DBPA Sponsorship Program* is a plan that enables members of the community to invest in their local high school band program. The Dobson Bands perform a minimum of twenty performances each year in the surrounding area, with venue attendance of up to 8,000 people. After twenty-plus years of successful performances, the time has come for some of the instruments and support equipment to be retired and replaced with new equipment. With the community's support, we can continue to revitalize the program and ensure our future students enjoy a positive band experience. Your contribution to our Sponsorship Program will help Dobson Bands to continue providing an award winning music program.

By becoming a sponsor your business will receive the following general benefits:

- A tax deductible charitable contribution
- Business listing in all Dobson Concert Programs
- A printed ad in our Quarterly Newsletter
